

KCE's Post Graduate college of Science, Tech. and Research, Jalgaon

Annual Report 2019-20

PGCSTR is the first and only college in Maharashtra who runs only post graduate courses in science discipline and is established in 2010. One could see in the college major expansion in terms of introducing new programs, strengthening research and technical and analytical skills of the students. The expansion was not only in terms of quantitative but also quality wise as per as infrastructure, student strength as well as laboratory facilities are concern. This year main focus has been given on achievements of various recognitions by NAAC, UGC and NMU, as result of this following are the attainment by the college;

NAAC accreditation: NAAC peer team visited to the college on 2nd to 3rd March 2020 and on the basis of presentation of the college regarding qualitative and quantitative question, NAAC awarded B+ grade to the college with 2.52 score.

Recognition as 2(f) by UGC: One of the great accomplishment by the college is that, name of our college has been included in the list of the college prepared under Section 2(f) of UGC Act,1958 under the head non-Government college teaching up to Master's Degree on 29th November 2019.

IQAC: IQAC of the college executed various quality initiative activities such as Commencement of NPTEL, SWAYAM portal, PG Technologia, a University level power point presentation competition.

PG Technologia-2020, a University Level Power Point Presentation Competition: College organized University level power point presentation competition on 25th January, 2019 for the students of chemical sciences, life sciences and mathematical sciences.
