Seminar for Career Counseling

In the pandemic situation and competitive world, counseling is very important for helping students by providing guidance, moral supports for the problems being faced. Due to counseling students know how to give the right direction to their thoughts, etc. To inform the decision about career and education, Career Counseling is a process that focuses on helping one to understand work trends.

Our college provides free career counseling to all the students who are in higher education. Each student is personally attended by faculty members and they are provided guidance in selecting course which favors their capabilities. 105 number of students benefitted by this activity.
