Career Counseling

Student scattered their minds or they could not take the decision to choose the career. In such case, counseling is very important for helping students by providing guidance, moral supports for the problems being faced. Due to counseling students knows how to give the right direction to their thoughts, etc. and which career is suitable for me and my education.

Being a post graduate college, we provide free career counseling to all the students who are in higher education, turn to research. Each student is personally attended by faculty members and they are provided guidance in selecting course which favors their capabilities. However, college organized seminars to crack competitive examinations in which experts also focused on career counseling in which 160 students benefitted by this activity.
