Report of Workshop on “Soft skill Development”

Post graduation students have to interview various companies for jobs after education, for that it is necessary for the students to have soft skills. To achieve success in any field, one must have some hidden qualities; such qualities are called soft skills. To develop such qualities of students, the department of Microbiology has organized a seven day workshop on “Soft skill Development” on 2th to 7th January 2023 . The workshop focuses developing various Skills like Communication skills and interview skills. In-depth guidance on making an effective resume writing, interpersonal, leadership skills was deliberated during workshop. Oral interviews were also conducted with the participating students. For this workshop 31 students from Microbiology, Biotechnology and Chemistry department participated.

Activity Report

Workshop on Communication Skills

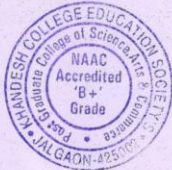

In order to enhance the communication skills using ICT tools, college has organized a workshop for students on 5th Jan. 2023. Dr. Sumit Lal, School of Chemistry, Trinity College, University of Dublin, Ireland has elaborated various issues of research using ICT tools and softwares as well as internet. In this workshop, 35 students of chemistry and biotechnology were present. The workshop was co-ordinated by Dr. S. S. Bari, Head Department of Biotechnology.

Workshop on Artificial Intelligence (AI)

A one day workshop was organized on 7th Jan. 2023 on the topic Artificial Intelligence. Dr. Vivek Jawalkote, Senior Scientist from Serum Institute, Pune was the resource person. In this workshop, 24 students from Biotechnology and Microbiology were present. Many different aspects of modern technology were introduced to the beneficiaries that will be helpful to them to create interest in relevant field. The workshop was co-ordinated by Dr. S. S. Bari, Head Department of Biotechnology.
